Providing social and educational activities for Jewish students and young adults including Friday night meals and festival meals and festival activities

OUR AIM

To be an umbrella body for the entire community that will:

- › Enhance the lives of Jewish individuals living in Sussex
- › Support anyone within the Jewish community with a specific need
- › Support those organisations in the area providing services that will meet the needs of the community

OUR MISSION

To provide care across the Jewish community.

- › To identify common concerns for member organisations in providing services and to work jointly to supply these.
- › To work together to break down barriers and recognise issues such as domestic violence, addictions and abuse.
